

Laser - FALCONEYE holocamera

for deformation and stress measurement

Multifunctional - but still fairly portable!

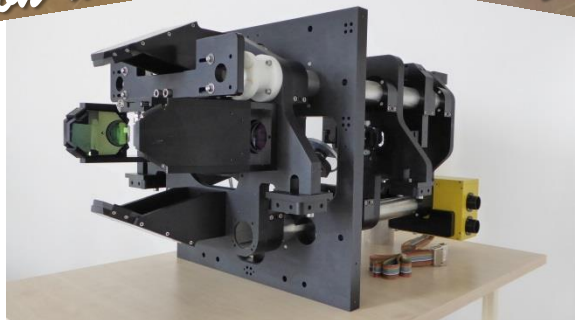

**L-FE holocamera:
in downward position**

**L-FE holocamera:
in upward position**

**L-FE holocamera:
in horizontal position**

(L-FE holocamera core)

L-FE holocamera: in horizontal position

/at a pressure vessel tower, in open-air,
within a protective case/

L-FE holocamera: in horizontal position

/on a tensile machine, in a workshop/
