

NIMONIC 90 cross-sectional stress distribution

Stress values – in lower and upper half depth: continuously

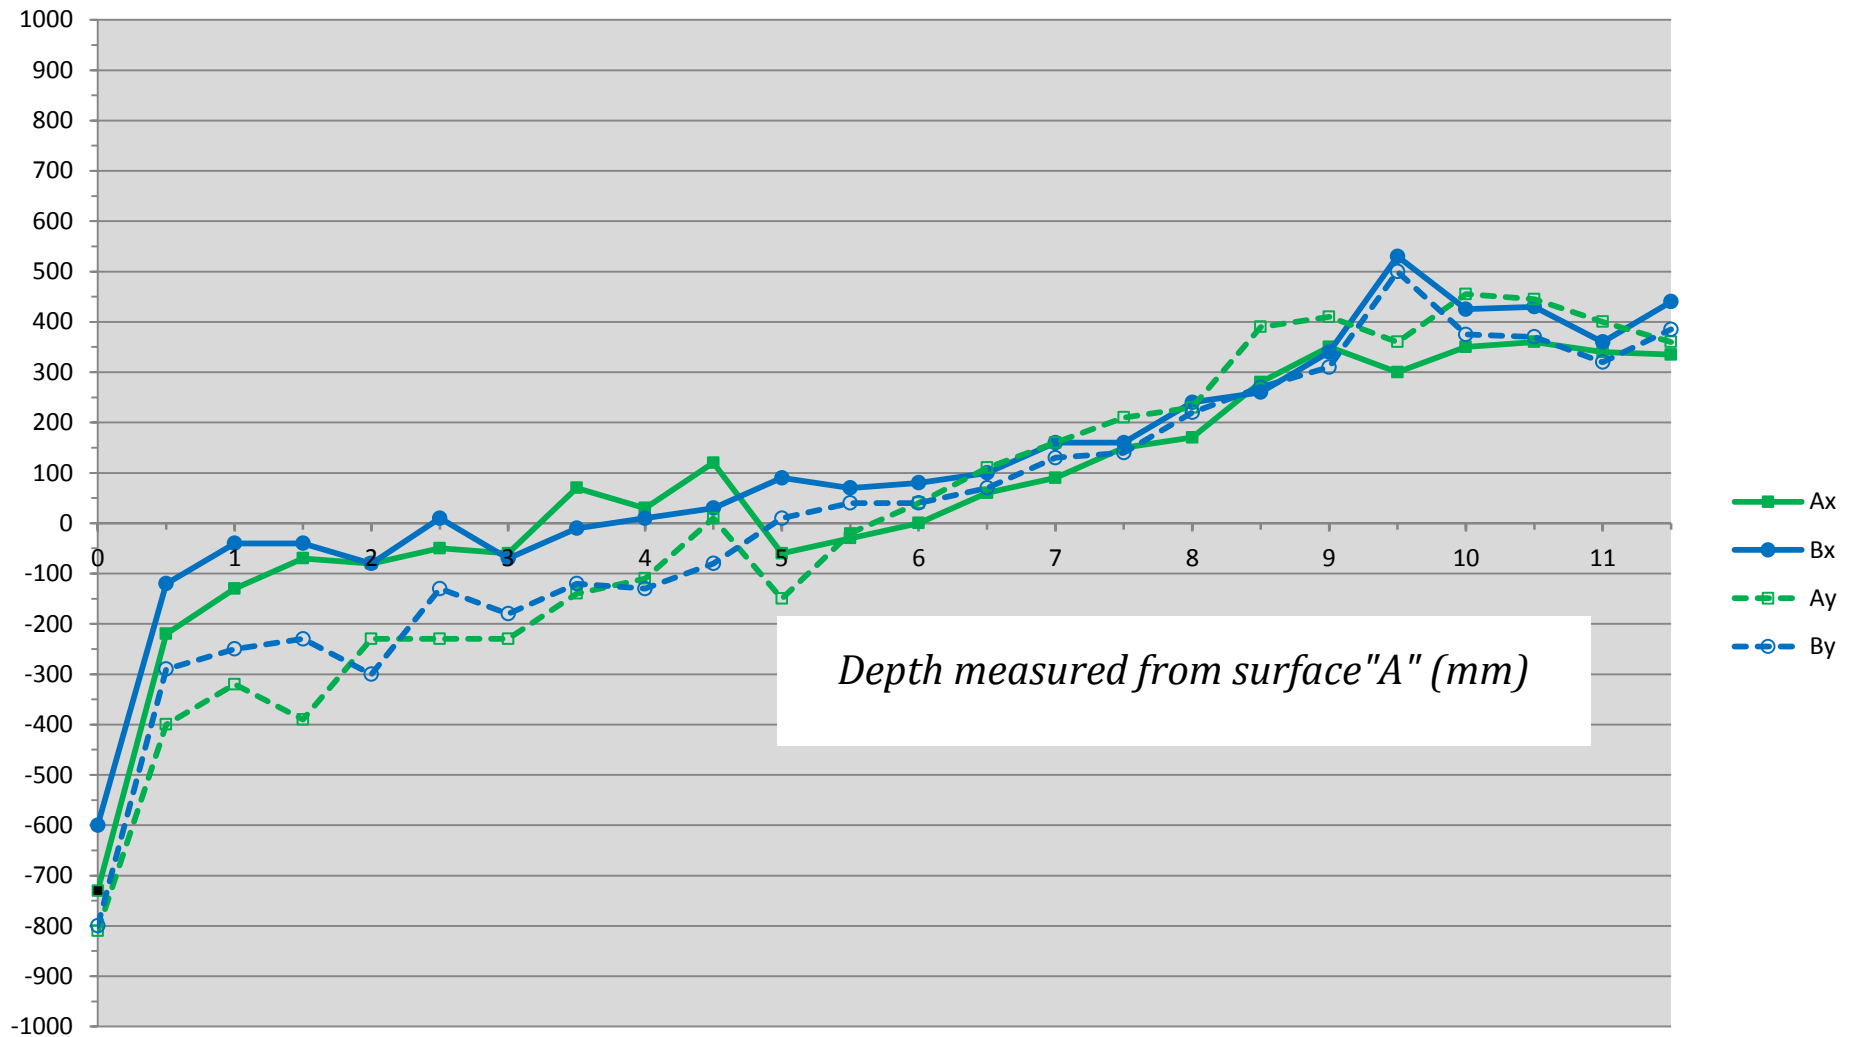

Stress [MPa]

Stress values – in lower and upper half depth: right part turned over to left

Stress [MPa]

NIMONIC 90

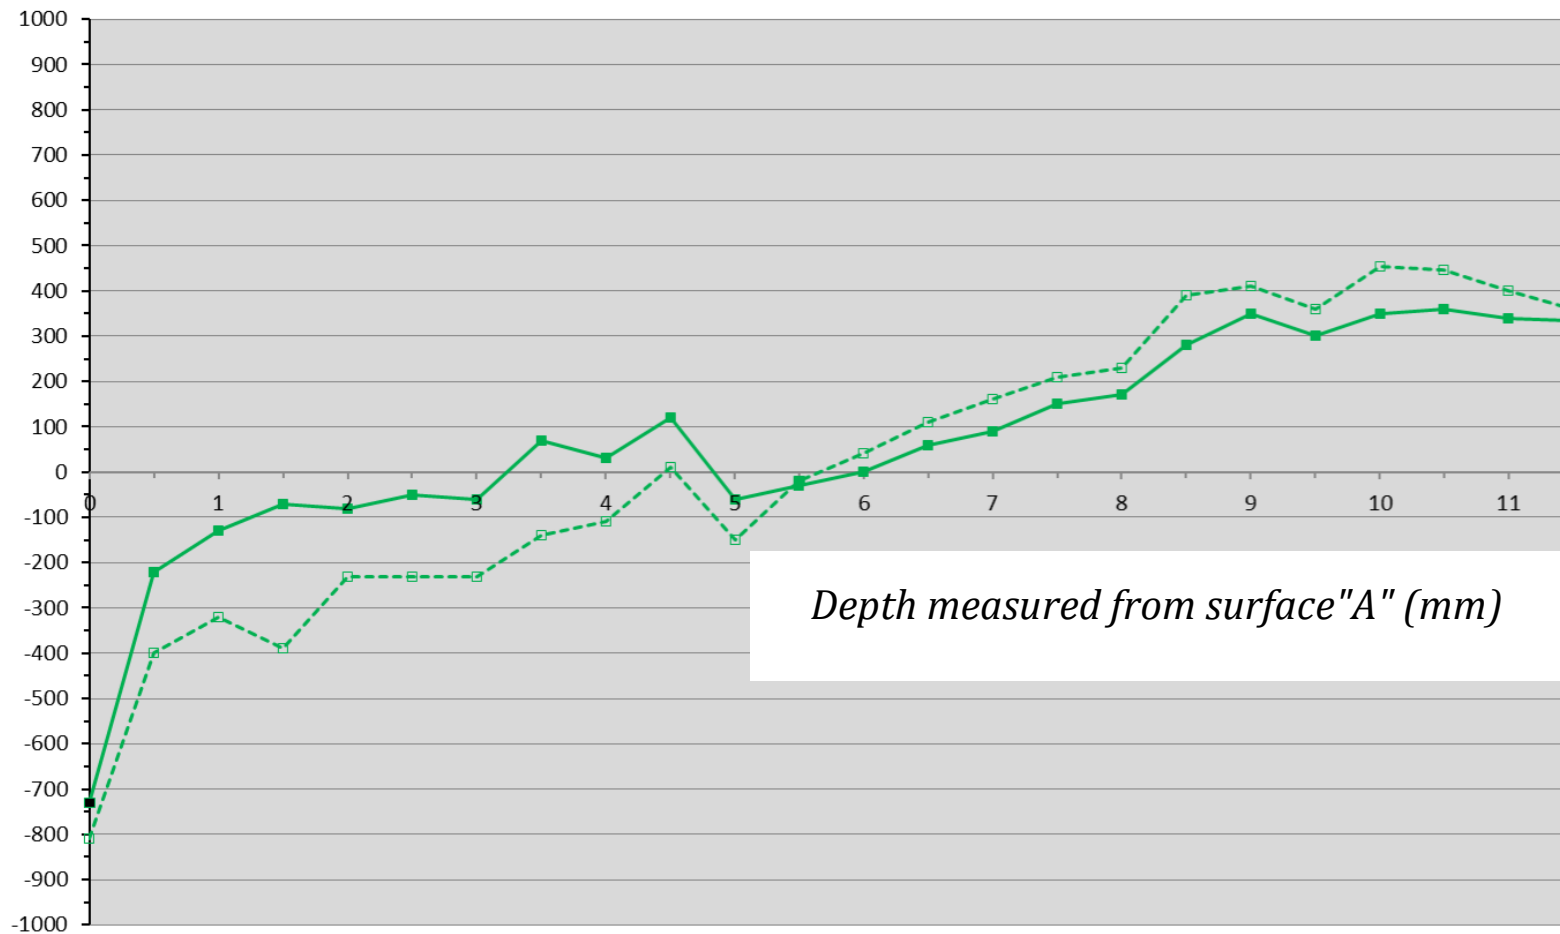

Depth measured from surface "A" (mm)

Stress values – in upper half depth (enlarged)

Stress [MPa]

NIMC

Stress values – in lower half depth (enlarged)

ONIC 90
